## Service Commitment

This ministry commitment runs through one calendar school year (September - May). If after a year the volunteer leader wants to renew his/her commitment he/she is free to do so, if not, then he/she is welcome to serve elsewhere.

The level of commitment varies based upon individual's availability - i.e. some leaders can only commit to serving on Wednesday nights while others can only help with monthly activities.

Spiritual commitment is a necessity. Each volunteer is required to sign a form committing themselves to the following:

- A personal relationship with God through faith in Jesus Christ
- Growing and maturing in faith through quiet times, church attendance, and Christian fellowship
- A lifestyle that models godliness
- Praying for the leaders and students
- Attending scheduled meetings
- Being a team player
- Being consistent and on time
